

Welcome to year 3!

Working in Birch Class this year is Sereena, supported by Ro and Gemma. On Thursday our class is covered by Reuben (our sports coach) and Joy.

Year 3 curriculum

PREHISTORIC BRITAIN

Year 3 – Autumn 1 (26/27)

[illegible]

You should have already received a copy of our current Knowledge Organiser (KO) and Curriculum Overview (CO) via parentmail. Keep your KO/CO safe so you can ask your children about what they've been learning.

our week

We have literacy, spelling, handwriting, reading and maths lessons on most days. Alongside this, you can see on our CO the foundation subjects that we will be taught.

On Friday, we will learn how to play the recorder with Layla.

This half term, our PE days are Tuesday and Thursday. Trainers must be worn on PE days.

Please make sure your child is dressed in suitable play and weather appropriate clothing every day.

reading

Adults or Children should be recording in their diaries at least three times a week but they should be reading every day. Diaries will be checked by a school adult once a week.

We strongly encourage you to read with your children a few times in the week as they will most certainly still enjoy and benefit from it.

home learning

As well as reading every day, children should be working on their times tables as often as possible. Children have TTRS accounts to support this but this doesn't have to be the only way they work on this skill.

TTRS: We suggest two soundchecks (mock MTC tests) before moving on to other single player games. We can see when children have logged in, how long for and at what time of day.

home learning

Spelling homework is posted on Seesaw every Friday, to be completed by the following Friday. We would like children to complete their spellings work by hand, and then upload a photo of this work.

There will be a spelling quiz in school every Friday.

handwriting

In year 3, we are revising and consolidating the letter families and joins learnt in year 2. We continue to focus on spacing, sizing and position of our letters and introduce new joins as the year progresses.

Shape Reception & KS1	Space KS1	Sitting KS1	Size KS1	Stringing KS1 and KS2	Slant KS2	Speed Y5+	Style Y5+
Once a child is ready to write, the first important task is to learn how to form the letters correctly – best taught as a motor skill – and in families. Children learn best by watching the letters being made and hearing a simple patter and then having a go themselves in developmentally appropriate ways then using pencils. 	Children need to understand that spaces need to be left between words so they can be easily read – about the size of 1 or 2 letter 'o's. Lolly sticks make good spacers for beginner writers.	Once children are secure in forming letters correctly, they need to know where to position them in relation to the base line...	...and also, to their relative sizes: Small, tall letters with ascenders, tailed with descenders. A visual image helps children understand the 3 levels, <u>e.g.</u> sky/grass/ground: 	Children should be taught a joined style as soon as they can form letters securely with the correct orientation: diagonal 'up the hill' joins and horizontal 'washing line' joins. Children should understand which letters, when adjacent to each other, are best left <u>unjoined</u>. 	A slightly forward slant is a natural movement for right-handers and helps to improve fluency and speed.	Increasing speed changes writing: it can improve rhythm and fluency but can cause illegibility if allowed out of control. It will help students if they are encouraged to gradually build up the speed of legible writing by repeating words, then phrases, sentences & paragraphs in short regular periods of practice.	Students should be encouraged to develop a style of writing that works for them: changes to their writing style that could increase speed and/or fluency, e.g., adding loops to increase speed and flow. Be aware that different qualities and speeds of writing are required for different tasks: notes, exams, labelling diagrams, e-mail addresses etc.

class culture

We work very hard to establish a strong class culture so that children arrive at school happy and excited to learn. We always bring everything back to our three school rules - to be ready, to be respectful and to be safe. Weekly PSHE lessons support our class culture, as well as daily routines like the use of a recognition board, visual timetables and movement breaks.

school trips

Like last year, we will use a system where there is a single contribution (£30) and just one form that gives consent for all trips.

There will still be letters that give trip specific information e.g. lunch requirements/clothing requirements.

Our first experience is to the Horniman museum on Wednesday 11th Novemeber.

end of day

It can be very busy at the end of the day so please support us by waiting until the whole class is ready before trying to collect your child. We want home time to be as safe as possible so please let us know of any changes to who is collecting your child by calling/emailing the office in plenty of time.
